

Fill in the gaps

Strip me by Natasha Bedingfield

Everyday I (1)_____ for all my future somethings
A thousand little wars I (2)_____ to choose between
I could spend a lifetime (3)_____ things that I
don't need
That's like chasing rainbows and (4)_____ home
empty
And if you strip me, strip it all away
If you strip me, what (5)_____ you find?
If you strip me, strip it all away
I'll be alright
(6)_____ what you want, steal my pride
(7)_____ me up or cut me down to size
Shut me out but I'll just scream
I'm only one (8)_____ in a million
But you ain't taking that from me
You ain't (9)_____ that from me
You ain't (10)_____ that from me
You ain't taking that from me
You ain't taking that
I don't need a microphone
To say what I've been thinking
My heart is like a loudspeaker
That's always on eleven
And if you strip me, strip it all away
If you strip me, what (11)_____ you find?
If you strip me, strip it all away
I'm still the same
Take what you want, (12)_____ my (13)_____

Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a million

But you ain't taking that from me
You ain't taking that from me
You ain't taking (14)_____ from me
You ain't (15)_____ that from me
You ain't taking that
Because when it all boils down at the end of the day
It's what you do and say (16)_____ makes you who you
are
(17)_____ you (18)_____ about it, think about
it, doesn't it?
Sometimes all it takes is one voice
(19)_____ what you want, (20)_____ my pride
Build me up or cut me down to size
Shut me out but I'll just (21)_____
I'm only one voice in a million
But you ain't taking that from me
You ain't taking that from me
You ain't taking (22)_____ from me
You ain't taking (23)_____ from me
You ain't taking that
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll (24)_____ scream
I'm only one (25)_____ in a (26)_____
But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that (27)_____ me
You ain't taking that

Fill in the gaps

Answer
