

Fill in the gaps

Strip me by Natasha Bedingfield

Everyday I (1)_____ for all my future somethings
A thousand little wars I have to choose between
I could spend a lifetime earning things (2)_____ I don't
(3)_____
That's (4)_____ chasing rainbows and coming home
empty
And if you strip me, strip it all away
If you strip me, (5)_____ would you find?
If you strip me, (6)_____ it all away
I'll be alright
Take what you want, (7)_____ my pride
(8)_____ me up or cut me down to size
Shut me out but I'll just (9)_____
I'm only one voice in a million
But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't (10)_____ that from me
You ain't taking that
I don't need a microphone
To say what I've been (11)_____
My heart is like a loudspeaker
That's always on eleven
And if you strip me, strip it all away
If you strip me, (12)_____ would you find?
If you (13)_____ me, strip it all away
I'm still the same
Take what you want, steal my (14)_____
Build me up or cut me down to size
Shut me out but I'll just (15)_____
I'm only one (16)_____ in a million

But you ain't taking (17)_____ from me
You ain't (18)_____ that from me
You ain't taking (19)_____ from me
You ain't taking (20)_____ from me
You ain't taking that
Because when it all boils down at the end of the day
It's what you do and say that makes you who you are
Makes you think about it, think about it, doesn't it?
Sometimes all it takes is one voice
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a million
But you ain't taking that from me
You ain't taking (21)_____ from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
(22)_____ what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm (23)_____ one voice in a (24)_____
But you ain't taking that (25)_____ me
You ain't taking that from me
You ain't (26)_____ that from me
You ain't (27)_____ that from me
You ain't taking that

Fill in the gaps
