

Fill in the gaps

Strip me by Natasha Bedingfield

Everyday I (1)_____ for all my future somethings
A thousand little wars I have to (2)_____ between
I could spend a lifetime earning things that I don't need
That's like chasing rainbows and coming home empty
And if you strip me, strip it all away
If you strip me, what would you find?
If you strip me, strip it all away
I'll be alright
Take what you want, steal my pride
Build me up or cut me down to size
(3)_____ me out but I'll just scream
I'm only one voice in a million
But you ain't taking that from me
You ain't taking (4)_____ from me
You ain't (5)_____ that from me
You ain't (6)_____ (7)_____ from me
You ain't (8)_____ that
I don't need a microphone
To say what I've been thinking
My heart is like a loudspeaker
That's always on eleven
And if you strip me, strip it all (9)_____
If you strip me, what would you find?
If you strip me, strip it all away
I'm still the same
(10)_____ what you want, steal my (11)_____
Build me up or cut me (12)_____ to (13)_____
Shut me out but I'll just scream
I'm only one voice in a million

But you ain't (14)_____ that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking (15)_____ from me
You ain't taking that
Because when it all (16)_____ down at the end of the
day
It's what you do and say that makes you who you are
Makes you think about it, think about it, doesn't it?
Sometimes all it takes is one voice
Take what you want, steal my pride
Build me up or cut me down to size
(17)_____ me out but I'll (18)_____ scream
I'm only one (19)_____ in a million
But you ain't (20)_____ (21)_____ from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that (22)_____ me
You ain't taking that
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one (23)_____ in a million
But you ain't taking that from me
You ain't taking that from me
You ain't (24)_____ that from me
You ain't (25)_____ that from me
You ain't taking that

Fill in the gaps

Answer
