Hush, don't speak			
(1) you spit your venom			
Keep it shut I hate it			
When you hiss and preach			
(2) your new messiah			
Because your theories catch fire			
I can't find			
Your silver lining			
I don't mean to judge			
But when you read your speech			
It's tiring, enough is enough!			
I'm covering my ears like a kid			
When your words mean nothing			
I go la, la, la			
I'm turning up the volume when you speak			
Because if my (3) can't stop it			
I find a way to block it			
I go la, la, la			
I find a way to block it			
I go la, la, la			
If our love is (4) out of time			
I won't count the hours, rather be a coward			
When our words collide			
I'm going drown you out before I lose my mind			
I can't find your silver lining			
I don't mean to judge			
But when you read your speech			

It's tiring, enough is enough
