## You're gonna go far, kid by Offspring

## Fill in the gaps

(1) me how to lie	Show the light of day	
You're getting better all the time	Nice work you did	
And turning all against the one	You're gonna go far, kid	
s an art that's hard to teach	Trust, deceived	
(2) clever word	With a thousand lies	
Sets off an unsuspecting herd	And a (15) disguise	
And as you step back into line	Hit them (16) (17)	the eye
A mob jumps to (3) feet	Hit them right between the eyes	
Now dance, fuc*er, dance	When you walk away	
Man, he never had a chance	Nothing more to say	
And no one even knew	See the lightning in your eyes	
t was (4) only you	See (18) (19) for thei	r lives
And now you steal away	Now dance, fuc*er, dance	
Take him out today	He never had a chance	
(5) work you did	And no one even knew	
You're gonna go far, kid	It was really only you	
(6) a thousand lies	So dance, fuc*er, dance	
And a good disguise	I never had a chance	
Hit them right between the eyes	It was really only you	
Hit them right (7) the eyes	With a thousand lies	
When you (8) away	And a good disguise	
Nothing more to say	Hit them right between the eyes	
See the lightning in your eyes	Hit them right between the eyes	
See (9) running for their lives	When you walk away	
Slowly out of line	Nothing (20) to say	
And drifting (10) in your sights	See the (21) in your eyes	
So play it out I'm (11) awake	See them running for (22) lives	
t's a (12) about me	Clever alibis	
There's something in your way	Lord of the flies	
And now someone is gonna pay	Hit them right (23) the eyes	
And if you can't get what you want	Hit them right (24) the eyes	
Well it's all (13) of me	When you walk away	
Now dance, fuc*er, dance	Nothing (25) to say	
Man, I (14) had a chance	See the (26) in your eyes	
And no one even knew	See them running for their lives	
t was really only you		
And now you'll lead the way
