

## Fill in the gaps

Once upon a time you dressed so fine	When they all did tricks for you
Threw the bums a dime in your prime, didn't you?	You (4) understood that it ain't no good
People call, say, 'Beware doll, you're (1) to fall'	You shouldn't let other people get your kicks for you
You thought they were all kiddin' you	You used to ride on the chrome horse with (5)
You used to laugh about	diplomat
Everybody that was hangin' out	Who carried on his shoulder a Siamese cat
Now you don't talk so loud	Ain't it hard when you discover that
Now you don't seem so proud	He really wasn't where it's at
About having to be scrounging your next meal.	After he took from you everything he could steal.
How does it feel	How does it feel
How (2) it feel	How does it feel
To be without a home	To be on your own
Like a complete unknown	With no (6) home
Like a rolling stone?	Like a complete unknown
Ah,you've gone to the finest school all right, Miss Lonely	Like a rolling stone?
But you know you only (3) to get juiced in it	Ah, (7) on the steeple and all the
Nobody's ever taught you how to live out on the street	(8) people
And now you're gonna have to get used to it	They're all drinkin', thinkin' that they got it made
You say you never compromise	Exchanging all precious gifts
With the mystery tramp, but now you realize	But you'd (9) take your diamond ring, you'd
He's not selling any alibis	better pawn it babe
As you stare into the vacuum of his eyes	You used to be so amused
And say do you want to make a deal?	At Napoleon in rags and the language that he used
How does it feel	Go to him now, he (10) you, you can't refuse
How does it feel	When you got nothin', you got nothin' to lose
To be on your own	You're invisible now, you got no secrets to conceal.
With no direction home	How does it feel
A complete unknown	Ah, how does it feel
Like a rolling stone?	To be on your own
Ah, you never turned around to see the frowns on the jugglers	With no direction home
and the clowns	Like a complete unknown
