Something I need by One Republic

I had a (1)_____ the other night
About how we only get one life
Woke me up right after two
I (2)_____ (3)_____ and stared at you
So I wouldn't lose my mind
And I had the (4)_____ that came from hell
And yes, I know that you could tell
But you're (5)_____ the net under the ledge
When I go flying off the edge
You go (6)_____ off as well
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this (7)_____ full of people
There's one killing me
And if we only die once
I want to die with you
Last night I think I drank too much
Call it our temporary crunch
With broken words I've (8)_____ to say it
Honey don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with...
You got something I need
In this world (9)_____ of people
There's one killing me

And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
I know that we're not the same
But I'm so damn glad
That we made it to this time, this time
You got something I need
Yeah, in this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
If we only die once
I want to die with...
If we only live once
I want to live with you
