Something I need by One Republic

Fill in the gaps

I had a dream the other night
About how we only get one life
(1) me up right after two
I stayed awake and stared at you
So I wouldn't lose my mind
And I had the week that came from hell
And yes, I know that you could tell
But you're like the net (2) the ledge
When I go flying off the edge
You go flying off as well
And if you only die once
I want to die with
You got (3) I need
In this world (4) of people
There's one killing me
And if we only die once
I (5) to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
Last night I think I drank too much
Call it our temporary crunch
With broken words I've tried to say it
Honey don't you be afraid
If we got nothing, we got us
And if you (6) die once
I want to die with
You got something I need
In this world full of people
There's one killing me

And if we only die once
I (7) to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
I know that we're not the same
But I'm so damn (8)
That we made it to this time, this time
You got something I need
Yeah, in this world full of people
There's one (9) me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I (10) to die with you
If we only die once
I want to die with
If we only live once
I want to live with you
