## Something I need by One Republic

There's one killing me

## Fill in the gaps

I had a dream the other night	And if we (17) die once
About how we only get one life	I want to die with you
Woke me up (1) after two	You got something I need
I stayed awake and (2) at you	In this world full of people
So I wouldn't lose my mind	There's one killing me
And I had the (3) that came from hell	And if we only die once
And yes, I know (4) you could tell	I want to die with you
But you're (5) the net under the ledge	I know that we're not the same
When I go flying off the edge	But I'm so (18) (19)
You go flying off as well	That we made it to this time, this time
And if you only die once	You got something I need
I want to die with	Yeah, in this world (20) of people
You got something I need	There's one killing me
In this world full of people	And if we (21) die once
There's one killing me	I want to die with you
And if we (6) die once	You got (22) I need
I want to die (7) you	In (23) world full of people
You got something I need	There's one killing me
In this (8) full of people	And if we only die once
There's one killing me	I want to die with you
And if we (9) die once	You got (24) I need
I want to die with you	In this world full of people
Last night I (10) I drank too much	There's one killing me
(11) it our (12) crunch	And if we only die once
With (13) (14) I've	I want to die with you
(15) to say it	If we only die once
Honey don't you be afraid	I want to die with
If we got nothing, we got us	If we only live once
And if you (16) die once	I want to live (25) you
I want to die with	
You got something I need	
In this world full of people
