

Fill in the gaps

I need another story	This time
Something to get off my chest	Don't (13) another perfect lie
My life gets kind of boring	Don't care if critics ever jump in line
(1) (2) that I can confess	I'm going to give all my secrets away
Till all my (3) are stained red	Got no reason
From all the truth that I've said	Got no shame
Come by it honestly I swear	Got no family
Thought you saw me wink, no	I can blame
I've (4) on the brink, so	Just don't let me disappear
Tell me what you want to hear	I'm going to tell you everything
Something (5) will light those ears	Tell me what you want to hear
I'm sick of all the insincere	(14) will light those
So I'm going to give all my secrets away	ears
This time	I'm sick of all the insincere
Don't (6) another perfect lie	So I'm going to give all my secrets away
Don't care if critics ever jump in line	This time
I'm (7) to give all my secrets away	Don't need another perfect lie
My God, (8) how we got (9) far	Don't care if critics ever (16) in line
It's like we're chasing all those stars	I'm (17) to give all my (18)
Who's (10) shiny big black cars?	away
And everyday I see the news	Tell me what you want to hear
All the (11) that we could solve	Something that will light those ears
And when a situation rises	I'm (19) of all the insincere
Just write it into an album	So I'm (20) to (21) all my secrets
Singing straight to cold	away
I don't really (12) my flow, no, so	(22) time
Tell me what you want to hear	Don't (23) another (24) lie
Something that will light those ears	Don't care if critics ever jump in line
I'm sick of all the insincere	I'm going to give all my secrets away
So I'm going to give all my secrets away	All my secrets away
	All my secrets away
