Good life by One Republic

Fill in the gaps

Woke up in London yesterday	Say on, got this feeling that you can't fight
Found myself in the (1) near Piccadilly	Like this city is on fire tonight
Don't really know how I got here	This could really be a good life, a good, good life
I got some pictures on my phone	A good good life
New names and numbers that I don't know	Hopelessly
Address to places like Abbey Road	I feel like there might be something that I'll miss
Day turns to night,	Hopelessly
night turns to whatever we want	I feel like the window closes so quick
We're young enough to say:	Hopelessly
Oh this has gotta be the good life	I'm taking a mental picture of you now
This has gotta be the good life	Because hopelessly
This could (2) be a good life, good life	The hope is we have so much to feel good about
Say oh, got this feeling that you can't fight	Oh this has gotta be the good life
Like this city is on fire tonight	This has gotta be the good life
This could really be a good life a good, good life	This could really be a good life, good life
To my friends in New York, I say hello	Say oh, got this feeling that you can't fight
My friends in L.A. they don't know	Like this (6) is on fire tonight
Where I've been for the past few years or so	This could really be a good life, a good, good life
Paris to China to Colorado	a good, good life
Sometimes there's (3) I can' t jump	To my friends in New York, I say hello
out	My (7) in L.A. they don't know
Sometimes there's bullshit that don't work now	Where I've been for the past few years or so
We are good of stories but please tell me	(8) to (9) to Col-or-ado
What there is to complain about	Sometimes there's airplanes I can' t jump out
When you're happy like a fool	Sometimes there's bullshit that don't work now
Let it take you over	We are god of stories but please tell me
(4) everything is out	What there is to (10) about
You gotta take it in	
Oh this has gotta be the good life	
This has gotta be the good life	
(5) could really be a good life, good life
