## Tell Me Something I Dont Know by Selena Gomez

Everybody tells me	I hear it all the time
that it's so hard to make it	I'm never gonna amount to anything
Yet so hard to break it	But they're never gonna change my mind
And there's no way to fake it	OH!
Everybody tells me that it's wrong what I'm feeling	Tell me, (5) me, Tell me
I shouldn't believe it	something I don't know
The dreams that I'm dreaming	something I don't know
I hear it everyday	something I don't know
I hear it all the time	Tell me, tell me, Tell me
I'm never gonna amount to much	something I don't know
But they're never (1) change my mind	something I don't know
OH!	something I don't know
Tell me, tell me, Tell me	How many inches in a mile
something I don't know	What it takes to make you smile
something I don't know	Getcha not to treat me like a child, baby
something I don't know	Tell me, Tell me
Tell me, tell me, Tell me	Something I don't know
something I don't know	Something I don't know
something I don't know	Something I don't know
something I don't know	I'm on my way
How many inches in a mile	I (6) I'm (7) get there someday
What it takes to make you smile	It doesn't (8) when you say
Getcha not to treat me like a child, baby	It won't be easy
Tell me, tell me, Tell me	Tell me, (9) me, Tell me
something I don't know	something I don't know
something I don't know	something I don't know
something I don't know	something I don't know
Tell me, (2) me something I don't know	Tell me, tell me, Tell me
Tell me, Tell me something I don't know	something I don't know
Everybody tells me I Don't know what I'm doing	something I don't know
This life I'm pursuing	something I don't know
The (3) of me loosing	How many inches in a mile
Everybody (4) me that it's one in a million	What it takes to make you smile
More like one in a billion	Getcha not to treat me (10) a child, baby
or one in a zillion
