## Tell Me Something I Dont Know by Selena Gomez

Everybody tells me	I hear it all the time	
that it's so (1) to (2) it	I'm never gonna amount to anything	
Yet so hard to break it	But they're never gonna (7)	_ my mind
And there's no way to fake it	OH!	
Everybody tells me that it's wrong what I'm feeling	Tell me, tell me, (8) me	
I shouldn't (3) it	something I don't know	
The dreams that I'm dreaming	something I don't know	
I hear it everyday	something I don't know	
I hear it all the time	Tell me, tell me, Tell me	
I'm never gonna (4) to much	something I don't know	
But they're never gonna change my mind	something I don't know	
OH!	something I don't know	
Tell me, tell me, (5) me	How many inches in a mile	
something I don't know	What it takes to make you smile	
something I don't know	Getcha not to treat me like a child, baby	
something I don't know	Tell me, (9) me, Tell me	
Tell me, tell me, Tell me	Something I don't know	
something I don't know	Something I don't know	
something I don't know	Something I don't know	
something I don't know	I'm on my way	
How many inches in a mile	I know I'm gonna get there someday	
What it takes to make you smile	It doesn't help when you say	
Getcha not to treat me like a child, baby	It won't be easy	
Tell me, tell me, Tell me	Tell me, tell me, Tell me	
something I don't know	something I don't know	
something I don't know	something I don't know	
something I don't know	something I don't know	
Tell me, Tell me something I don't know	Tell me, tell me, Tell me	
Tell me, Tell me something I don't know	something I don't know	
Everybody (6) me I Don't know what I'm doing	something I don't know	
This life I'm pursuing	something I don't know	
The odds of me loosing	How many (10) in a mile	
Everybody tells me that it's one in a million	What it takes to make you smile	
More like one in a billion	Getcha not to treat me like a child, baby	
or one in a zillion
