

## Fill in the gaps

So I sit on this table for one	And I (12) (13) they could
And (1) me a drink that'll last	(14) be (15) tonight
I'm not (2) I (3) miss (4)	To see what a mess I've made
young	Because I've swallowed my tongue
And I grew old so fast	And I've polished my gun
My wife she breaks and she bends	And I've sat on my secrets for years
My children they don't understand	With my stiff (16) lip
I came (5) tonight in search of a friend	My (17) won't slip
But I'm the (6) man	And I've (18) each
Because I've swallowed my tongue	Silent salty tear
And I've polished my gun	My (19) and my daughters don't (20)
And I've sat on my secrets for years	me at all
(7) my stiff upper lip	I've dug in trenches and put up walls
My composure won't slip	I (21) I love you (22) night as
And I've hidden each	they sleep
Silent (8) tear	But no one hears me when I speak
So I sit on this (9) for one	(23) this (24) for one
And I have been here before	So I sit on this table for one
It's a little less than I'd had in mind	I won't go till they tell me to leave
But I wouldn't ask for more	Why'd they teach me to follow my dreams
And my mother she (10) me to write	When dreams are all they can be?
And my (11) he taught me his trade
