

## Golden leaves by Passenger

### Fill in the gaps

Do you (1)\_\_\_\_\_ how this first begun?

But it's not funny anymore

Teeth (2)\_\_\_\_\_ (3)\_\_\_\_\_ and our skin was  
young

I fear I'll choke unless I spit it out

Eyes as bright as the (4)\_\_\_\_\_ sun

Still smell of smoke although the fire's gone out

We had nothing we could hide

Can't live with you but I'd die without

Now my dear we are two golden leaves

So what's left to say when every word's been spoken

Clinging desperately to winter trees

What's left to see when our eyes won't open

(5)\_\_\_\_\_ up here like a pair of thieves

What's (7)\_\_\_\_\_ to do when we've lost all hope and

While the sirens blare outside

What's left to break when our hearts are broken

What's left to say when every word's been spoken

But sometimes

What's left to see when our eyes won't open

What's (8)\_\_\_\_\_ to say when every word's been spoken

What's left to do when we've lost all hope and

What's left to break when our hearts are broken

What's left to break when our hearts are broken

But sometimes

But sometimes

Do you remember how this started out?

But sometimes

So full of hope but now we're filled with doubt

What's left to see when our eyes won't open

A dirty joke we used to (6)\_\_\_\_\_ about
