

Fill in the gaps

Well we'll (1) for that's how it begins	(11) hearts won't buy (12)
We'll embrace just to warm our skins	And nor (13) (14) sell
I'll think of her and you'll (2) of him	And there is no (15) in this hotel
And we'll talk to keep	Though we're walking (16) we (17) to
The (3) from our ears	well
And we'll (4) because we're so close to tears	We are both lost
We're just lonely, you know	We are (18) lost
That's why we're here	And we won't be found
(5) you don't taste like you should	She was my compass
And you don't fit in my arms like she would	He was (19) map
(6) in the dark, it's understood	We've come too far to be turning back
We are (7) lost	And we'll sit on our single beds
And we won't be found	(20) on our hearts
We will wake up with each (8) in our paws	And (21) on our threads
You cover over white bits	For we know
Like I've not seen them before	The (22) is dead
We'll say (9) and (10) we'll say	
no more
