

## Fill in the gaps

Well we'll kiss for that's how it begins				
We'll embrace just to warm our skins				
I'll think of her and you'll think of him				
And we'll talk to keep				
The silence from our ears				
And we'll laugh because we're so close to tears				
We're just lonely, you know				
That's why we're here				
Because you don't taste (1) you should				
And you don't fit in my (2) (3) she				
would				
Lying in the dark, it's understood				
We are (4) lost				
And we won't be found				
We will wake up with (5) other in our paws				
You cover over (6) bits				
Like I've not seen them before				
We'll say goodbye and then we'll say no more				

(7)	(8)	won't buy love		
And nor will they sell				
And there is no love in this hotel				
Though we're walking	(9)	we know too well		
We are both lost				
We are both lost				
And we won't be found				
She was my compass				
He was your map				
We've come too far to be turning back				
And we'll sit on our single beds				
Nothing on our hearts				
And tears on our threads				
For we know				
The last unicorn is dead
