

Fill in the gaps

Well, last night I couldn't sleep	Because it hit me with no warning
I got up and started walking	Like a summer sky storming in my lungs
Down to the end of my street	Ain't it funny how the kids walk by
And on into town	They'll do anything to make (5)
(1) I had no one to meet	look older
And I had no taste for talking	While the women spend their money
Seems I'm talking my whole life	On anything that makes (6) look young
It's (2) I listen now	Like a stone
Well, I walked I passed the late night boys	We're carried on the river
With their bottles in the doorways	Like a boat
And I walked I passed the business men	Sailing on the sea
Sleeping like (3) in their cars	Oh I'll keep on walking
And I thought to myself oh son	Well, I'll keep on walking
You may be lost in more ways than one	Till I find that old love
But I've a feeling that it's more fun	Or that old love comes to find me
Than knowing exactly where you are	Well, I'm like a stone
Like a stone	And I'm (7) on the river
Carried on the river	Like a boat
(4) a boat	Sailing on the sea
Sailing on the sea	Oh well, I'll keep on walking
Well I'll keep on walking	Well, I said I'll keep on walking
Oh I'll keep on walking	(8) I find (9) old love
Till I find that old love	Or that old love comes to find me
Or that old love comes to find me	Till I find that old love
Well, I walked into the morning	Or that old love comes to (10) me
And felt the warm sunlight forming on my shoulders
