

Fill in the gaps

There's a whole another conversation going on	(17) me up
In a parralell universe	Let me be lighter
(1) nothing breaks and nothing hurts	I'm tired of being a fighter
There's a (2) (3) frozen in	I think a minute's enough
time	Just (18) me up
(4) of grass on tiny bare feet	In my head I see your baby blues
I look at you and you're looking at me	I hear (19) voice and I
Could you beam me up?	I break in two and now there's
Give me a minute	One of me with you
I don't know what I'd say in it	So when I need you, can I (20) you a sign?
I'd probably just stare	I'll burn a candle and turn off the lights
(5) just to be there holding your face	I'll pick up (21) and (22) you shine
(6) me up	Just (23) me up
Let me be lighter	Give me a minute
I'm (7) of being a fighter	I don't know (24) I'd say in it
I think a (8) enough	I'd probably just stare
Just (9) me up	(25) just to be there holding your face
Saw a (10) soaring in the sky	Beam me up
Barely a breath I caught one (11) sight	Let me be lighter
Tell me that was you saying goodbye	I'm tired of being a fighter
There are times I feel the shiver and cold	I (26) a minute's enough
It only happens when I'm on my own	Beam me up
That's how you tell me I'm not alone	(27) me up
Could you (12) me up?	Beam me up
(13) me a minute	Could you beam me up?
I (14) what I'd say in it	
I'd probably just stare	
Happy (16) to be there holding your face
