The truth about love comes at 3 a.m.	Purebreds and mutts
You (1) up fuc*ed up and you grab a pen	(12) without the crust
And you say to yourself:	It takes your breathe, (13) it leaves a scar
I'm gonna figure it out, I'm gonna crack that code	But those untouched
Gonna break it break it down	(14) got never got very far
I'm tired of all these questions	It's rage and it's hate
And now it's just annoying	And a sick twist of fate
Because no one has the answer	And that's the truth about love
So I guess it's up to me to find	The (15) about love
The truth (2) love	I think you just may be perfect
Is it comes and it goes	The only person of my dreams
A strange fascination,	I never ever, ever, ever been this happy
It is lips on toes	But now something has changed
Morning breath	And the truth (16) love is it's all a lie
Bedroom eyes on a smiling face	I thought you were the one and I hate goodbyes
Sheet marks, rug burn	Oh, you can (17) (18) breath.
And a (3) glaze	Oh, you can shoot a gun and,
The shock and the awe (4) can eat you raw	(19) you're the only one that's
Is this the truth about love?	(20) felt (21) way before
I think you (5) may be perfect	It hurts inside the hurt within and
The only (6) of my dreams	It folds together pocket thin and
I never ever, ever, ever been this happy	It's whispered by the (22) lips and
But now something has changed	It can turn you into a son-of-a-b*tch, man
And the truth about love is it's all a lie	The truth, the truth, the (23)(24)
I thought you (7) the one, and I (8)	love is
goodbyes	Truth, the truth, the truth (25) love is
Oh, you want the truth?	(bis)
The (9) (10) love, it's nasty, it's	-I think you just may be perfect-
salty	-You're the person of my dreams-
It's the regret in the morning, it's the smelling of armpits	-I never ever, ever, ever been this happy-
It's wings, and songs, and trees, and birds	-But now something has changed-
It's all the poetry that you ever heard	-And the truth (26) love is-
Terror coup d'etat	-It's all a lie-
Life line forget-me-nots	-I thought you were the one and I hate goodbyes-
It's the hunt and the kill	(bis)
The schemes and the plots	The truth about love
The truth about love is	
It's (11) and it's guts
