The truth about love comes at 3 a.m.		Purebreds and mutts
You wake up (1)	up and you grab a pen	(5) without the crust
And you say to yourself:		It takes your breathe, because it leaves a scar
I'm gonna figure it out, I'm gonna crack that code		But those untouched
Gonna break it break it down		Never got never got very far
I'm tired of all these questions		It's rage and it's hate
And now it's just annoying		And a sick twist of fate
Because no one has the answer		And that's the truth about love
So I guess it's up to me to find		The truth about love
The truth about love		I think you just may be perfect
Is it comes and it goes		The only (6) of my dreams
A strange fascination,		I never ever, ever been (7) happy
It is lips on toes		But now something has changed
Morning breath		And the truth about love is it's all a lie
Bedroom eyes on a smiling face		I thought you were the one and I hate goodbyes
Sheet marks, rug burn		Oh, you can lose your breath.
And a sugar glaze		Oh, you can shoot a gun and,
The shock and the awe that can eat you raw		Convince you're the only one that's ever (8) this
Is this the truth about love?		way before
I think you just may be perfect		It hurts inside the hurt within and
The only person of my dreams		It (9) together pocket thin and
I never ever, ever, (2)	been this happy	It's whispered by the angels lips and
But now something has changed		It can turn you (10) a son-of-a-b*tch, man
And the truth about love is it's all a lie		The truth, the truth about love is
I thought you were the one, and I hate goodbyes		Truth, the truth, the truth about love is
Oh, you (3) the truth?		(bis)
The truth about love, it's nasty, it's salty		-I think you just may be perfect-
It's the regret in the morning, it's the smelling of armpits		-You're the person of my dreams-
It's wings, and songs, and trees, and birds		-I never ever, ever, ever been this happy-
It's all the poetry that you ever heard		-But now something has changed-
Terror coup d'etat		-And the truth about love is-
(4) line forget-me-nots		-It's all a lie-
It's the hunt and the kill		-I thought you were the one and I hate goodbyes-
The schemes and the plots		(bis)
The truth about love is		The truth about love
It's blood and it's guts
