That's life, that's what all the people say.	I thought of quitting baby,
You're riding high in April,	But my heart (10) ain't (11) buy it.
Shot (1) in May	And if I didn't (12) it was worth one single try,
But I know I'm (2) (3) that tune,	I'd (13) right on a big (14) and
When I'm back on top, back on top in June.	(15) I'd fly
I said that's life, and as funny as it may seem	I've been a puppet, a pauper, a pirate,
Some (4) get their kicks,	A poet, a pawn and a king.
Stompin' on a dream	I've been up and down and (16) and out
But I don't let it, let it get me down,	And I know one thing:
'Cause (5) fine ol' world it (6)	Each time I (17) myself laying (18) or
spinning around	my face,
I've been a puppet, a pauper, a pirate,	I (19) pick myself up and get back in the race
A poet, a (7) and a king.	That's life
I've been up and down and over and out	That's (20) and I can't (21) it
And I know one thing:	Many times I thought of cutting out
Each time I find myself, (8) on my face,	But my heart won't buy it
I pick myself up and get back in the race.	But if there's nothing shakin' come this here july
That's life	I'm gonna (22) up in a big bal
I tell ya, I can't (9) it,	and die
	My, My
