Are we all we are?	Not forget the rest of -rest of-
Are we all we are?	Just sing it loud (5) the kids will sing it right
Cut to now holy wow	back
When did everything become such a hell of a mess?	Are we all we are?
Maybe now maybe now	Are we all we are?
Can somebody come and take this off my chest?	Four, that's how many years it (6) me
I know you think it's not your problem	To get through the lesson that I had to do it all my own
I know you think that God will solve them	Three, that's how many Hail Mary's they would pay for me
But if your sh*t is not together it'll never be	Thinking I was gonna end up all alone
You and me, plant the seed	Two, for second chances that you've given me
Open up and let it be	Can it be lucky me? -lucky me-
We are the people that you'll never get the best of	Now let's go
