

## Fill in the gaps

Made a wrong turn, once or twice
Dug my way out, blood and fire
Bad decisions, that's alright
Welcome to my (1) life
Mistreated, misplaced, misunderstood
Mis, no way it's all good,
it didn't slow me down
Mistaken, always second guessing
Underestimated, look, I'm still around
Pretty, pretty please, don't you ever, ever feel
(2) you're less than, fucking perfect
Pretty, pretty please, if you ever, ever feel
Like you're nothing you are fucking (3) to
me
You're so mean (4) you talk
(5) yourself, you are wrong
Change the voices in your head
Change the voices in your head  Make them like you instead
,
Make them like you instead
Make them like you instead So complicated, look how big you'll make it
Make them like you instead So complicated, look how big you'll make it Filled (6) so much hatred, such a tired game
Make them like you instead So complicated, look how big you'll make it Filled (6) so much hatred, such a tired game It's enough, I've done all I can think of
Make them like you instead So complicated, look how big you'll make it Filled (6) so much hatred, such a tired game It's enough, I've done all I can think of Chased down all my demons, see you do the same
Make them like you instead So complicated, look how big you'll make it Filled (6) so much hatred, such a tired game It's enough, I've done all I can think of Chased down all my demons, see you do the same Pretty, pretty please, don't you ever, ever feel
Make them like you instead So complicated, look how big you'll make it Filled (6) so much hatred, such a tired game It's enough, I've done all I can think of Chased down all my demons, see you do the same Pretty, pretty please, don't you ever, ever feel Like you're less than, fucking perfect

The whole world stares
while I swallow the fear
The only thing I should be drinking is an ice cold bee
So cool in (8) and we tried, tried, tried
But we try too hard,
it's a waste of my time
Done looking for the critics
because they're everywhere
They don't like my genes, they don't get my hair
(9) ourselves
and we do it all the time
Why do we do that? Why do I do that?
Why do I do that?
Yes, I'm pretty, pretty, pretty
Pretty, pretty please, don't you ever, ever feel
Like you're less than, fucking perfect
Pretty, pretty please, if you ever, ever feel
Like you're nothing, you are fucking perfect to me
You are perfect, you're perfect
Pretty, pretty please if you ever, ever feel
Like you're less than, fucking perfect
Pretty, pretty please if you ever, ever feel
Like you're nothing, you are perfect to me
