

Fill in the gaps

Made a wrong turn, once or twice	The (12) world stares
Dug my way out, blood and fire	while I swallow the fear
Bad decisions, that's alright	The only thing I should be drinking is an ice cold beer
(1) to my silly life	So cool in lying and we tried, tried, tried
Mistreated, misplaced, misunderstood	But we try too hard,
Mis, no way it's all good,	it's a waste of my time
it didn't slow me down	Done looking for the critics
Mistaken, always second guessing	(13) they're everywhere
Underestimated, look, I'm still around	They don't (14) my genes, they don't get my hair
Pretty, pretty please, don't you ever, ever feel	(15) (16)
Like you're less than, (2) perfect	and we do it all the time
Pretty, (3) please, if you ever, ever feel	Why do we do that? Why do I do that?
(4) you're nothing you are fucking perfect to me	Why do I do that?
You're so mean (5) you talk	Yes, I'm pretty, pretty, pretty
About yourself, you are wrong	Pretty, pretty please, don't you ever, ever feel
(6) the voices in your head	(17) you're (18) than,
Make them (7) you instead	(19) perfect
So complicated, look how big you'll make it	Pretty, pretty please, if you ever, ever feel
Filled (8) so (9) hatred, such a tired	(20) you're nothing, you are fucking perfect to me
game	You are perfect, you're (21)
It's enough, I've done all I can think of	Pretty, pretty please if you ever, ever feel
Chased down all my demons, see you do the same	Like you're less than, fucking perfect
Pretty, (10) please, don't you ever, ever feel	Pretty, (22) please if you ever, (23)
Like you're (11) than, fucking perfect	feel
Pretty, pretty please, if you ever, ever feel	Like you're nothing, you are perfect to me
Like you're nothing, you are fucking perfect to me
