## Fill in the gaps

## Best days of our lives by Right The Stars

Running down the street	The sun keeps coming up in your blue eyes
Like your hair's on fire	These are the best days of our lives
Thoughts running fast	Best days of our lives
Like a man on a wire	Best days of our lives
Can't stop laughing but I don't know why	Running down the street
Don't know why nobody knows why	(7) your hair's on fire
Shouldn't wait for the weather to change	Thoughts running fast
Everyday from here on out	Like a man on a wire
Got the top down top down	Can't stop laughing but I (8) know why
Strap on your shoulder running down you	No I don't know why nobody knows why
Like an ice cream cone	Can't help but feel all right
We're not alone never gonna be alone	Run through the day till the end of the night
Can't (1) but feel all right	The sun (9) coming up in your blue eyes
Run through the day till the end of the night	Never gonna be alone
The sun keeps coming up in your blue eyes	Can't help but (10) all right
These are the best (2) of our lives	Run through the day till the end of the night
(3) aches silent	And the sun keeps coming up in your blue eyes
What's your meaning?	These are the best days of our lives
Don't understand but the sea is in me	Best days of our lives
(4) so loud and it (5) repeating	Best days of our lives
Repeating repeating never gonna go home	Best days of our lives
Can't help but feel all right	
Run through the day (6) the end of the night
