Different by Robbie Williams

Fill in the gaps

When I look you in the lies	Praying to a God I don't think exist
Something deep inside me dies	Will you listen now?
Because I know you won't get better, better, better	Can you forgive me somehow?
You'd rather be right than be loved	This (5) I'll be different, I promise you,
The only thing I've understood	This time I'll be special, you (6) I will,
Nothing's ever good enough	Just don't leave with me in your eyes.
I stumble through the words as they're leaving me	This time I'll be better, I want you to know,
Tremble at the sight of your majesty	This time I'll be special, oh God, make it so,
And I cut myself just to get them out	Just don't leave with me in your eyes, your eyes, your eyes
This time I'll be different, I (1) you	Closer now to the end
This time I'll be special, you know I will	If love was the answer
Just don't leave with me in your eyes	Then hope was the question
This time I'll be better, I want you to know	Closer now, let's pretend
(2) time I'll be special, oh God, make it so	We've never been out (7) before
(3) don't leave with me in your eyes, your eyes,	This time I'll be different, I promise you
your eyes	This time I'll be special, you know I will
You took my youth, you took my health	Don't leave with me in your eyes
And if you're not here I'll fight myself	This time I'll be better, I want you to know
You're supposed to (4) this better, better, better	This time I'll be special, oh God, make it so
No self-control and no reason why	Just don't (8) with me in your eyes, your eyes
And if I don't change, then we both die	(9) eyes
This is it for you and I	
Blisters at the end of my fingertips
