It must have been love (BSO Pretty Woman) by Roxette

It must have been love	It was all (6) I wanted, now I'm living without
But it's over now	It must have been love but it's over now
Lay a whisper on my pillow	It's (7) the water flows
Leave the winter on the ground	It's where the wind blows
I wake up lonely	It must have been love but it's over now
there's air of silence in the bedroom and all around	It must have (8) good but I (9) it
Touch me now, I close my (1) and dream away	somehow
It must have been love but it's over now	It must have been love but it's (10) now
It must have been good but I lost it somehow	From the moment we touched
It must have been love but it's (2) now	Till the time had run out
From the moment we touched	It must have been love but it's over now
Till the time had run out	It was all that I wanted, now I'm living without
(3) believing we're together	It must have been love but it's over now
That I'm (4) by your heart	It's where the water flows
But in and outside	It's where the wind blows
I've turned to (5) like a teardrop in your palm	It must have been love but it's over now
And it's a hard winter's day I dream away	It must have been love but it's over now
