Fill in the gaps

You're always such a fool
And in your eyes, so blue
I see the (1) I never had before
Do you remember when
We used to live things separate
We hadn't met or (2)
That could be possible
I'm (3) you had your life
So good so listen to your past
All of those things brought you with me
And now we're two
You're always such a fool
And in your eyes so blue
I see the life I never had before
You (4) talk so smooth
You (4) talk so smooth And then in your voice, so true
And then in your voice, so true
And then in your voice, so true I (5) the dream
And then in your voice, so true I (5) the dream I never had before
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this Heaven (6) down
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this Heaven (6) down And reminds the luck we live
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this Heaven (6) down And reminds the luck we live You're always such a fool
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this Heaven (6) down And reminds the luck we live You're always such a fool And in your eyes so (7)
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this Heaven (6) down And reminds the luck we live You're always such a fool And in your eyes so (7) I see the life I (8) had before
And then in your voice, so true I (5) the dream I never had before But if I try to think of something better than this Heaven (6) down And reminds the luck we live You're always such a fool And in your eyes so (7) I see the life I (8) had before You always talk so smooth
