

But you'll never see

## Fill in the gaps

eep arinking corree	You're so busy (5) masks
Stare me down across the table	With my (6) on them in all caps
While I look outside	You got the talking down
So many (1) I'd say if only I were able	Just not the listening
But I just keep quiet	And who cares if you disagree?
And count the cars (2) pass by	You are not me
You've got opinions, man	Who made you king of anything?
We're all entitled to	So you dare tell me who to be?
But I never asked	Who died and (7) you king of anything?
So let me thank you for (3) time	All my life I've tried to make everybody happy
And try not to waste anymore of mine	While I just hurt and hide
And get out of here fast	Waiting for someone to tell me
hate to break it to you babe	It's my turn to decide
But I'm not drowning	Who cares if you disagree?
There's no one here to save	You are not me
Who cares if you disagree?	Who made you king of anything?
You are not me	So you dare tell me who to be?
Who made you king of anything?	Who died and made you king of anything?
So you dare tell me who to be?	Who cares if you disagree?
Who died and made you king of anything?	You are not me
You sound so innocent, all full of good intent	Who made you king of anything?
Swear you know best	So you (8) tell me who to be?
But you expect me to jump up on board with you	Who died and (9) you (10) of anything?
And ride off into (4) delusional sunset	Let me hold your crown, babe
'm not the one who's lost, with no direction
