

Fill in the gaps

Keep drinking coffee	You're so busy making masks
Stare me down across the table	(17) my name on (18) in all caps
While I look outside	You got the talking down
So many (1) I'd say if only I were able	Just not the listening
But I just (2) quiet	And who cares if you disagree?
And count the (3) that pass by	You are not me
You've got opinions, man	Who made you king of anything?
We're all (4) to	So you (19) tell me who to be?
But I (5) asked	Who died and made you king of anything?
So let me thank you for your time	All my life I've tried to (20)
And try not to waste anymore of mine	(21) happy
And get out of (6) fast	While I just hurt and hide
I (7) to (8) it to you babe	Waiting for someone to tell me
But I'm not drowning	It's my turn to decide
There's no one (9) to save	Who cares if you disagree?
Who cares if you disagree?	You are not me
You are not me	Who made you king of anything?
Who (10) you king of anything?	So you dare tell me who to be?
So you dare tell me who to be?	Who died and made you king of anything?
Who died and made you (11) of anything?	Who cares if you disagree?
You (12) so innocent, all full of good intent	You are not me
Swear you (13) best	Who made you (22) of anything?
But you expect me to jump up on board with you	So you (23) (24) me who to be?
And (14) off (15) (16)	Who died and made you (25) of anything?
delusional sunset	Let me hold (26) crown, babe
I'm not the one who's lost, with no direction	
But you'll never see	

SUB inglés

Answ 1. things

- 2. keep
