

Fill in the gaps

(1) not gonna (2) this	rnese worlds are gonna collide
(3)(4)	I want to yell it from the rooftops down
mine	Until it's over, and we're older
I'm sick of complaining	So take me, but go slow
(5) a beautiful life	Let me hide somewhere I know
How did we get here?	And let this (16) grow
Did we forget all the things inside?	(17) we finally call this home
And how do we stay here?	So take me, but go slow
Do we (6) all the things denied?	Let me (18) somewhere I know
I (7) so alive tonight	And let this seed grow
You got me (8) sublime	Until we finally call (19) home
I want to yell it from the (9) down	If I was to die tonight
Until it's over, and we're older	Would it (20) you apart?
For my entertainment	Would you yell it (21) the rooftops down?
You tell a whimsical lie	(22) it's over, and you're older
To keep me complacent	I feel so alive tonight
You (10) me (11) with a smile	(23) got me feeling sublime
How did we get here?	I (24) to yell it from the rooftops down
How do we pretend (12)	Until it's over, and we're older
alright?	Like (25) and cyanide
And how do we stay here?	I want to make it collide
Do we erase all the fear inside?	I'm gonna yell it from the rooftops down
I feel so alive tonight	(26) it's over, and we're older
You got me feeling sublime	
I want to yell it (13) the rooftops down	
(14) it's over, and we're older	
Like (15) and cyanide
