

Fill in the gaps

(1) my (2) for one more drink	The flowers never grow
I'll let it slide	I think I'll (7) forever this time
I haven't touched the surface yet	Well I guess I'm giving up again
It was too close for me I caved	I guess it's fair, I guess it's fair
Now hold me till you fall asleep	I guess it's fair I just don't care
Not making it easy, no	We were dishing out promises, leave me alone
We're (3) secrets underneath	Wishful thinking was hopeless
Not (4) it easy, no	Help us find our way home
The flowers never grow	And you asked me if I've been there
I think (5) pick forever (6) time	Have I been there?
Well I guess I'm giving up again	This (8) you alone
I guess it's fair, I guess it's fair	This I know, I (9) to live forever this time
I guess it's fair I just don't	Well I guess I'm giving up again
Ration time and wait for sleep	I guess it's fair, I guess it's fair
One will reflect, one will defeat	I guess it's fair I just don't care
Imagine me at seventeen	My heart, I wanna live forever
Depressed and thin, homecoming queen	Well I'd love to see your face again
And you will always cross my mind	I love you still, I love you still
Not making it easy, no	I love you still I love you
And you could leave at any time	
Not making it easy, not easy
