

## Fill in the gaps

(1) my hand for one (2) drink	The (15) never grow
I'll let it slide	I (16) (17) pick forever
I haven't touched the surface yet	(18) time
It was too close for me I caved	(19) I guess I'm giving up again
Now hold me till you fall asleep	I (20) it's fair, I guess it's fair
Not making it easy, no	I guess it's fair I just don't care
We're holding secrets underneath	We were dishing out promises, leave me alone
Not (3) it easy, no	Wishful thinking was hopeless
The (4) never grow	(21) us find our way home
I think (5) pick forever this time	And you asked me if I've been there
Well I (6) I'm giving up again	Have I been there?
I guess it's fair, I guess it's fair	This take you alone
I guess it's fair I (7) don't	This I know, I (22) to live (23)
(8) time and wait for sleep	this time
One (9) reflect, one will defeat	Well I (24) I'm giving up again
Imagine me at seventeen	I guess it's fair, I guess it's fair
Depressed and thin, homecoming queen	I guess it's fair I just (25) care
And you will (10) (11) my mind	My heart, I wanna live forever
Not making it easy, no	(26) I'd love to see (27) face again
And you (12) (13) at any time	I love you still, I love you still
Not (14) it easy, not easy	I (28) you still I (29) you
