

## Fill in the gaps

The pain surrounds	When you (11) me in
I watch it rain	You (12) me nighty night
I (1) it trickle down	Just like (13) been wrong
And I (2) so clear	I'm doing this now
You let it out	I've (14) it all along
I watch it disappears	And I can't believe in nothing
I don't quite know	Or anyone that I (15) see
(3) where it ends	You know it's better (16) (17) eve
Just where the water flows	been
And I can't quite see	And that's good enough for me
(4) where it was	Your (18) was bittersweet, bittersweet
(5) where it use to be	bittersweet,
And I can't believe in nothing	it's bittersweet
Or anyone that I can't see	Your love was killing me, killing me, (19)
You know it's better than it's (6) been	me,
And it's good enough for me	it's killing me
Your (7) was bittersweet, bittersweet, bittersweet,	-This is the (20) day of my life-
it's bittersweet	(bis x3)
Your love is (8) me, killing me, killing me,	I (21) believe in nothing
it's killing me	Or anyone that I (22) see
Yes I (9) the line	You know it's better than it's ever been
I do it now	And it's good enough for me
I've done it all the time	Your love was bittersweet, bittersweet, bittersweet,
And I feel so free	it's bittersweet
You let me out	Your love was (23) me, killing me,
You let me be my be, be my be	(24) me,
And I don't feel (10) so right	(25) killing me
	-This is the best day of my life-
	-It was the best day of my life-
