

Fill in the gaps

You say you know that I'll be there	Tell me how low can you go
I've got a penny for your thoughts	You're in out of control
If you care to (1) them off	And, oh no, you're overexposed when
Or you can meet me at the station	You never ever really thought you ever had a chance
(2) beyond the hesitation	Oh you'll never show enough skin
You're racking up miles to (3) me	For them to let you in and
The ticket is void,	Oh no, its overexposure
The driver was lost and	And it breaks you right down now
The people on the bus are (4) you to get	And it breaks
off	And it breaks you right down now
Run, run, run, run, run, run, run	And it breaks
As fast as you can	And it breaks you right down now
Tell me how low can you go	Overexposure
You're in out of control	And it breaks you right down now
And, oh no, you're overexposed when	Overexposure
You (5) ever really thought you ever had a	-and it breaks you right down now- (bis)
chance	Run, run, run, run, run, run, run
Oh you'll never (6) enough skin	As fast as you can
For them to let you in and	Tell me how low can you go
Oh no, it's overexposure	You're in out of control
Tell me this feeling will arise	And, oh no, you're overexposed when
When the ship is sinking	You (10) ever thought you ever had a chance
And (7) are thinking	Oh you'll never show enough skin
Disregarding all the tension	For them to let you in and
It's beyond your comprehension	Oh no, its overexposure now
This trip has taken its course	Overexposure now
This plane is ready to land	¡(bis x3)
We'll make it on time	
And the airline (8)	
are in the back getting high	
Run, run, run, run, run, run, run	
As (9) as you can
