

As fast as you can

## Fill in the gaps

You say you know that I'll be there	Tell me how low can you go
I've got a penny for your thoughts	You're in out of control
If you care to (1) them off	And, oh no, you're (6) when.
Or you can meet me at the station	You never ever really thought you ever had a chance
I'm beyond the hesitation	Oh you'll never show enough skin
You're racking up miles to reach me	For (7) to let you in and
The ticket is void,	Oh no, its overexposure
The driver was lost and	And it breaks you right down now
The people on the bus are telling you to get off	And it breaks
Run, run, run, run, run, run, run	And it breaks you (8) down now
As fast as you can	And it breaks
Tell me how low can you go	And it breaks you (9) down now
You're in out of control	Overexposure
And, oh no, you're (2) when	And it breaks you right down now
You never ever really thought you ever had a chance	Overexposure
Oh you'll never show enough skin	-and it breaks you right down now- (bis)
For them to let you in and	Run, run, run, run, run, run, run
Oh no, it's overexposure	As fast as you can
(3) me this feeling will arise	Tell me how low can you go
(4) the ship is sinking	You're in out of control
And people are thinking	And, oh no, (10) overexposed when
Disregarding all the tension	You never ever thought you ever had a chance
It's beyond your comprehension	Oh you'll never show enough skin
This (5) has taken its course	For them to let you in and
This plane is ready to land	Oh no, its overexposure now
We'll make it on time	Overexposure now
And the airline personnel	¡(bis x3)
are in the back getting high	
Run, run, run, run, run, run, run
