

Fill in the gaps

Poured myself a (1) glass
And laid awake
Prayed the lord my soul to take
Thought about you all day
How we have the same face
I fell asleep so confused
Parts of me remind me of you
How could I ever wish away?
Only ever in dreams I wrap my arms around you
And standing in the water with me
I could tell you what I want to tell you
And I hope it's not just a bad dream
I (2) it's not (3) a sad dream
I wake up and I hear my phone ring
I hear you call
And I let my phone ring
When I got into my car
And drove away

I listen to the stereo play
I live by my own laws
(4) to my guns
Hold my head up to the midnight sun
Hope the guilt will dim and fade
A fire baptism engulfs my shame
Only ever in dreams I wrap my arms around you
And standing in the water with me
I could tell you what I (5) to tell you
And I hope it's not just a bad dream
I (6) it's not (7) a sad dream
Only ever in (8) I wrap my (9)
around you
And standing in the water with me
I could tell you what I want to tell you
And I hope it's not just a bad dream
I hope it's not just a sad dream
