

## Fill in the gaps

Poured myself a warm glass	I listen to the (15) play
And laid awake	I live by my own laws
(1) the lord my soul to take	Stick to my guns
Thought about you all day	(16) my head up to the (17)
How we (2) the same face	sun
I fell (3) so confused	Hope the (18) will dim and fade
Parts of me remind me of you	A fire baptism engulfs my shame
How could I ever (4) away?	Only ever in dreams I wrap my arms around you
Only ever in dreams I wrap my arms around you	And standing in the water with me
And (5) in the (6) with me	I could tell you (19) I (20) to tell you
I could tell you what I (7) to (8) you	And I hope it's not just a bad dream
And I (9) it's not just a bad dream	I (21) it's not just a sad dream
I (10) it's not just a sad dream	Only (22) in dreams I wrap my arms around you
I wake up and I hear my (11) ring	And standing in the water with me
I hear you call	I could tell you what I want to tell you
And I let my (12) ring	And I hope it's not just a bad dream
(13) I got (14) my car	I hope it's not just a sad dream
And drove away
