## Fill in the gaps

## Give Me One Reason by Tracy Chapman

| Give me one (1) to stay here and i i turn right          | I just want someone to noid me                                  |
|--|---|
| back around  | Oh, and rock me through the night                               |
| Give me one (2) to stay here and I'll turn right         | This youthful heart can love you, yes, and give (6)             |
| (3) around   | you need  |
| Said I don't wanna leave you lonely                      | I said this youthful (7) can love you, oh, and                  |
| You got to make me change my mind                        | (8) what you need   |
| Baby I got your number and I know that you got mine      | But I'm too old to go (9) you around                            |
| You know (4) I called you I called too many times        | wasting my precious energy                                      |
| You can call me baby                                     | Give me one reason to stay here, yes, and I'll turn right back  |
| You can call me anytime, but you got to call me          | around  |
| Give me one reason to stay here and I'll turn right back | (You can see me turnin')  |
| around   | Give me one reason to stay here, whoa, and I'll turn            |
| (You can see me turnin')                                 | (10) back around  |
| Give me one reason to stay here and I'll turn right back | (You can see me turnin')  |
| around   | Said I don't wanna leave you lonely                             |
| (You can see me turnin')                                 | You got to make me change my mind                               |
| Said I don't wanna leave you lonely                      | Baby just gives me one reason                                   |
| You got to make me change my mind                        | Oh, just give me just one reason why                            |
| I don't want no one to squeeze me                        | Baby just gives me one reason                                   |
| They might take away my life                             | Oh, just give me just one reason why I should stay              |
| I don't want no one to squeeze me                        | Said I told you that I loved you and there ain't no more to say |
| They might (5) away my life                              |   |

- 1. reason
- 2. reason
- 3. back
- 4. that
- 5. take
- 6. what
- 7. heart
