## Fill in the gaps

#### Take it or leave it by Sublime with Rome

She's got a knack for hurting me	Take it or leave it
Is it the words she says	Because I'm really leaving
The only thing that keeps me here	I've purchased my (17) to New York
Are her eyes in the morning	First (18) in the morning
I've packed my things a thousand times	Kissing you good morning
And I've faked believe all her lies, for the last time	And whispering goodbye
The other day I drew (1) a map	Take it or leave it
So I could figure out your head	Because I'm really leaving
The canvas (2) with my sweat, blood and	I've made up my mind (19) time
tears	There's no (20) back for you
And she (3) every thread	Oh, there's no (21) back for you
I've packed my things a thousand times	And I'll always feel incomplete
And I've faked believe all (4) lies, for the last time	She smothered (22) with her own beauty
Take it or leave it	And she was (23) and raised daddy's princes
Because I'm really leaving	But her gesture is no match for an heiress
I've (5) my ticket to New York	Yes her gesture is no match for an heiress
First thing in the morning	Because I try to love you, try to hold on to
(6) you good morning	The feeling that makes me fall for you
And whispering goodbye	Oh, the feeling that makes me fall
Take it or (7) it	(24) it or (25) it now
Because I'm really leaving	Take it or leave
I've made up my mind this time	Because I'm (26) leaving
There's no (8) (9) for you	I've purchased my ticket to New York
Oh, there's no coming back for you	First thing in the morning
Told her no purse was more important	Kissing you good morning
(10) the knowledge in her head	And whispering goodbye, bye
She grabbed her sh*t just like a baby	Such I love you, try to hold on to
And couldn't (11) the (12) I	The feeling that (27) me fall for you
said	The feeling that makes me fall
The only (13) I ever see her read	(28) me fall for you
Are those damn gossip magazines	<em>-Can I buy you a drink?-</em>
(14) feed her (15) with all that	
nonsense,	
Says she can fit in with the scene	
I've (16) my things a thousand times	
And I've faked believe all her lies, for the last time	

#### 1. myself
