SUB ingles

And I've faked believe all her lies, for the last time

Fill in the gaps

Take it or leave it by Sublime with Rome

She's got a knack for hurting me	Take it or leave it
Is it the words she says	Because I'm really leaving
The only thing that keeps me here	I've purchased my ticket to New York
Are her (1) in the morning	First thing in the morning
I've packed my things a thousand times	Kissing you good morning
And I've (2) believe all her lies, for the last time	And whispering goodbye
The other day I drew myself a map	Take it or leave it
So I could figure out your head	Because I'm really leaving
The canvas dripped with my sweat, blood and tears	I've made up my mind this time
And she hated (3) thread	There's no coming back for you
I've packed my things a thousand times	Oh, there's no coming back for you
And I've faked believe all (4) lies, for the last time	And I'll always feel incomplete
Take it or leave it	She smothered herself with her own beauty
Because I'm really leaving	And she was born and raised daddy's princes
I've purchased my ticket to New York	But her gesture is no match for an heiress
First thing in the morning	Yes her gesture is no match for an heiress
Kissing you good morning	(7) I try to love you, try to hold on to
And whispering goodbye	The feeling that makes me fall for you
Take it or leave it	Oh, the feeling that (8) me fall
(5) I'm really leaving	Take it or leave it now
I've made up my mind this time	Take it or leave
There's no coming back for you	Because I'm really leaving
Oh, there's no coming back for you	I've purchased my ticket to New York
Told her no purse was more important	First thing in the morning
Than the knowledge in her head	Kissing you good morning
She grabbed her sh*t just like a baby	And whispering goodbye, bye
And couldn't believe the words I said	
	Such I love you, try to hold on to
The only (6) I ever see her read	Such I love you, try to hold on to The feeling that makes me fall for you
The only (6) I ever see her read Are those damn gossip magazines	
	The feeling that makes me fall for you
Are those damn gossip magazines	The feeling that makes me fall for you The feeling that makes me fall
