## Fill in the gaps

#### It starts and ends with you by Suede

Like a cause without a martyr	It starts and ends with you
Like an effigy of balsa	It (8) and ends with you
Like a hairline crack in a radiator	Shout out but it just spins faster
(1) life	Crawl out but my knees are water
I shout out but it just spins faster	Cling on by my nails to this sweet disaster
I'd crawl out but my knees are water	And then I fall to the floor like my strings are cut
I (2) on by my nails to this sweet disaster	Spinning the wheel but I don't wake up
And I fall to the floor like my strings are cut	Pinch myself cause too much is not enough
Pinch myself but I don't wake up	It starts and (9) with you
Spit in the wind cause too much is not enough	It starts and ends with you
It starts and (3) with you	It starts and ends with you
It starts and ends with you	It starts and ends with you
And I've (4) so many faces	Shout out but it just spins faster
Shot my love at fifteen paces	Crawl out but my knees are water
My inheritance is all the thoughts	Shout out but it just spins faster
I can't sweep away	I'd crawl out but my knees are water
I shout out but it just spins faster	Shout out but it just spins faster
I'd crawl out but my (5) are water	I'd crawl out but my knees are water
I cling on by my nails to this sweet disaster	Shout out but it just spins faster
And then I (6) to the floor like my strings are cut	I'd crawl out but my (10) are water
Pinch myself but I don't (7) up	
Spit in the wind cause too much is not enough
