

## Fill in the gaps

You touch the (1)	(2)	we meet	With all your mystery	
Where you and I become she and he			Come on and hit me	
I'm not as strong as I pretend to be			With your majesty	
You (3) the scratches and scars			Come on and hit me	
You feel the parts of me we call ours			With all your mystery	
But drop me once and I'll (4) to bits			So come on and hit me	
(5) on and hit me			With your majesty	
With your majesty			(8) on and hit me	
Come on and hit me			With all (9) mystery	
With all (6) mystery			Come on and hit me	
And the (7) we touch we are young		ung	With your majesty	
You feel my pulse and we become one			Come on and hit me	
But drop me once and I'll fall to bits			With all your mystery	
Come on and hit me				
With your majesty				
Come on and hit me
