

Fill in the gaps

Everything has changed by Taylor Swift

All I knew this morning when I woke is	Know you better now
I know something now, know (1) now	I just want to know you, know you, (18) you
I didn't before	Because all I know is we said hello
And all I've seen since 18 hours ago is	And your eyes (19) like coming home
Green eyes and freckles and your smile	All I know is a simple (20) and everything has
In the (2) of my mind making me feel like	changed
I (3) (4) to know you better, know you	All I know is you held the door
better	You'll be mine and I'll be yours
(5) you better now	All I know (21) yesterday is everything has
I just want to know you better, know you better	changed
Know you better now	(22) back and tell me why I'm feeling like
I just want to know you better, know you better	I've missed you all this time
Know you (6) now	And meet me (23) tonight
I just want to know you, (7) you, know you	And let me know that it's not all in my mind
Because all I know is we said hello	I just want to know you better, know you better
And (8) eyes (9) like coming home	Know you better now
All I (10) is a simple name and everything has	I just want to know you, know you, know you
changed	(24) all I know is we said hello
All I know is you held the door	And your eyes look like coming home
You'll be mine and I'll be yours	All I (25) is a simple name and everything has
All I know since yesterday is everything has changed	changed
And all my walls	All I know is you held the door
(11) tall painted blue	You'll be (26) and I'll be yours
But I'll take them down, take them down	All I know (27) yesterday is everything has
And open up the door for you	changed
And all I (12) in my stomach is	All I know is we said hello
(13)	So dust off your (28) hopes
The beautiful kind making up for lost time	All I know is pouring rain
Taking flight, (14) me feel like	And everything has changed
I just want to know you better, (15) you better	All I know is a new found grace
Know you better now	All my days, I'll know your face
I just want to know you better, (16) you better	All I know since yesterday is (29)
Know you better now	has changed
I just want to (17) you better, know you better
