Everything has changed by Taylor Swift

All I knew this morning when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 (1)_____ ago is
(2)_____ eyes and freckles and your smile
In the back of my mind making me feel like
I just want to (3)_____ you better, know you better
Know you (4)_____ now
I just want to know you better, know you better
Know you better now
I just (5)_____ to know you better, know you better
Know you better now
I (6)_____ want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you (7)_____ the door
You'll be (8)_____ and I'll be yours
All I know (9)_____ yesterday is
(10)_____ has changed
And all my (11)_____
Stood tall painted blue
But I'll (12)_____ them down, take (13)_____ down

And open up the door for you
And all I feel in my stomach is butterflies
The beautiful kind making up for (14)_____ time
Taking flight, making me feel like
I just want to know you better, (15)_____ you better
Know you better now
I just (16)_____ to (17)_____ you better, know you
better
Know you better now
I just want to know you better, know you better

Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you (18)_____ the door
You'll be mine and I'll be yours
All I (19)_____ since yesterday is everything has
changed
Come back and tell me why I'm feeling (20)_____
I've missed you all this time
And meet me there tonight
And let me know (21)_____ it's not all in my mind
I just want to know you better, know you better
Know you (22)_____ now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes (23)_____ like coming home
All I know is a simple name and everything has changed
All I know is you (24)_____ the door

All I know since (26)_____ is everything has
