Everything has changed by Taylor Swift

All I knew this (1)_____ when I woke is
I know something now, know something now I didn't before
And all I've (2)_____ (3)_____ 18 hours ago is
(4)_____ eyes and freckles and your smile
In the back of my mind making me feel like
I just want to (5)_____ you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I (6)_____ want to know you better, know you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I (7)_____ is a simple name and everything has
changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
And all my walls
Stood tall (8)_____ blue
But I'll take them down, take them (9)_____
And open up the door for you
And all I feel in my stomach is butterflies
The beautiful (10)_____ making up for lost time
Taking flight, making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, (11)_____ you better
Know you better now
I just want to know you better, know you better

Know you (12)_____ now
I just want to know you, (13)_____ you, (14)_____
you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple (15)_____ and everything has
changed
All I (16)_____ is you held the door
You'll be (17)_____ and I'll be yours
All I know since yesterday is everything has changed
(18)_____ back and tell me why I'm feeling like
I've missed you all this time
And meet me there tonight
And let me know that it's not all in my mind
I just want to know you better, (19)_____ you better
Know you (20)_____ now
I just want to know you, know you, (21)_____ you
(22)_____ all I know is we said hello
And your eyes look like coming home
All I (23)_____ is a simple name and everything has

All I know is you held the door
You'll be mine and I'll be yours

changed
All I know is we said hello
