

Fill in the gaps

Everything has changed by Taylor Swift

All I knew this morning when I woke is

I know (1)_____ now, know something now

I didn't before

And all I've seen (2)_____ 18 hours ago is

Green eyes and freckles and your (3)_____

In the back of my mind making me feel like

I just want to (4)_____ you better, (5)_____ you

better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you, know you, know you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I know since yesterday is everything has changed

And all my walls

Stood tall painted blue

But I'll (6)_____ them down, take them (7)_____

And open up the door for you

And all I feel in my stomach is butterflies

The beautiful kind making up for lost time

Taking flight, making me feel like

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you, know you, (8)_____ you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I (9)_____ since yesterday is everything has changed

Come back and tell me why I'm feeling like

I've missed you all this time

And meet me there tonight

And let me know that it's not all in my mind

I just want to know you better, know you better

Know you better now

I just want to know you, know you, know you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I know since yesterday is everything has changed

All I know is we said hello

So dust off your highest hopes

All I know is pouring rain

And everything has changed

All I know is a new found grace

All my days, I'll know your face

All I know since yesterday is everything has changed

Fill in the gaps

Answer

1. something
2. since
