

## Fill in the gaps

You've got a fast car	And your arm felt nice wrapped 'round my shoulder
I wanna a ticket to anywhere	And I had a feeling that I belonged
Maybe we make a deal	I had a feeling I could be someone, be someone, be someone
Maybe together we can get somewhere	You've got a a fast car
Any place is better	We go cruising entertain ourselves
Starting from zero, got nothing to lose	You still ain't got a job
Maybe we'll make something	Now I work in the market as a (5) girl
Me, myself, I've got nothing to prove	I know things will get better
You've got a (1) car	You'll find work and I'll get promoted
I've got a (2) to get us out of here	We'll move out of the shelter
Been working at the convenience store	Buy a bigger house and live in the suburbs
Managed to save just a little bit of money	Say remember (6) we were driving, driving in your
Won't have to drive too far	car
Just cross the border and into the city	Speeds so (7) it felt like I was drunk
You and I can both get jobs	City lights lay out (8) us
And finally see (3) it means to be living	And your arm (9) nice wrapped 'round my shoulder
See my old man's got a problem	And I had a feeling that I belonged
Live with the bottle, that's the way it is	I had a (10) I could be someone, be
He says his body's too old for working	someone, be someone
His body's too young, to look like his	You've got a fast car
When mama went off and left him	I've got a job that pays all our bills
She wanted more from life than he (4) give	You stay out drinking late at the bar
I said somebody's got to take care of him	See more of your friends than you do of your kids
So I quit school and that's what I did	I'd always hoped for better
You've got a fast car	Thought maybe together you and me'd find it
Is it fast enough so we can fly away?	I got no plans and I ain't going nowhere
We gotta make a decision	So take your fast car and keep on driving
Leave tonight or live and die this way	You've got a fast car
Say remember when we were driving, driving in your car	Is it fast enough so you can fly away?
Speed so fast it felt like I was drunk	You gotta make a decision
City lights lay out before us	Leave tonight or live and die this way

- 1. fast
- 2. plan
