Safe & Sound (The hunger games) by Taylor Swift

I remember tears streaming down your face
When I said, I'll never let you go
When all (1) shadows almost killed (2) light
I remember you said
Don't leave me here alone
But all that's dead and gone and passed tonight
(3) (4) (5) eyes
The sun is going down
You'll be alright
No one can hurt you now
(6) morning light
You and I'll be safe and sound
Don't you dare look out your window
